

# tree frog treks

**WILD SCIENCE!**

---

## FULL-DAY CAMPERS

At Tree Frog Treks full-day camp, children will have new adventures each day. Campers will explore San Francisco and all it has to offer on daily field trips, they will meet live animals, and create art and science projects.

First Wave Tree Frogger, Dr. Fronkensteen aka Alan has returned from the wilds of Oregon to launch our inaugural nine week summer. With Dr. Fronkensteen at the wheel and Mr. Science strapped to the roof, you can bet we're in for one Wild Summer of Wild Science!

Here is a snap-shot of a typical day at camp for the Adventure Explorers (kids entering 1<sup>st</sup> - 2<sup>nd</sup> grade) and Wild Scientists (kids entering 3<sup>rd</sup>-6<sup>th</sup> grade):

8:00-9:00am	AM Extended Care
9:00-9:15am	Meet our Animals
9:15-9:30am	Morning Assembly and Song
9:30-4:00pm	Destination field trip
4:00-4:15pm	Mr. Science's "Wild Science Assembly"
4:30pm	Campers leave for the day

---

## HALF-DAY CAMPERS

At Tree Frog Treks half-day camp, children will meet live animals, create science and art projects, and explore the outdoors on small hikes and treks in the park.

Here is a snap-shot of a typical day at camp for the Little Explorers (kids ages 4 & up entering pre-school) and Junior Explorers (kids entering kindergarten):

8:00-9:00am	AM Extended Care
9:00-9:15am	Kids Arrive
9:15-10:00am	Morning Activity/Nature Hikes
10:15-12:00pm	Science and Art Projects/ Meet out Animals
12:00-1:00pm	Group Games, Stories, and Explorations
1:00pm	Campers leave for the day
